Happy April! With spring here, our school is buzzing with energy and growth. The playground equipment will be re-opening soon and we want to remind everyone about the safety of proper clothing. In order to uphold a safe environment, we wish to bring to your attention the potential hazards linked to certain clothing items, particularly drawstrings. Please consider alternative fastenings such as buttons, elastic, velcro, or snaps, as they mitigate the risk of entanglement and promote your child's safety.

Awesome Attendance

Students who are improving their attendance or are absent 2 days or less a month are being acknowledged at our monthly awesome attendance assemblies. Here is Mrs. Meyer's 1/2 class, Mrs. Teeple's 4/5 class, and Mr. Wiersema's 7/8 class all met their attendance goal for March

With the wet playground season upon us please make sure students have rubber boots, splash pants, a jacket and send extra spare clothes (extra socks especially) with your student to school.

Crossroads Bird Houses

Mrs. Teeple's 4/5 class built birdhouses with Mr. Douglas and were able to hang them up around the school yard.
